

App4Legal: The Best Way to Manage Your Legal Team

Welcome to App4Legal Documentation Center

App4Legal is composed of 3 Components: **App4Legal Core Application** that is the web application collaboration tool, **App4Legal Integration with Outlook**, **App4Legal Mobile App** for Smart Phones and **App4Legal Customer Portal** that is an interactive interface for the legal team's Customers.

This site offers you an access to the Documentation Center of App4Legal. You will have in one single place User Guides, FAQs and legal documents related to your App4Legal Account.

This a part of our self-service portals that we provide to our users to have full information about App4Legal features, release notes and news.
