| | | | | | | | |
|----------|-------------|----------|--|---|---------------------|---------------------|--|
| A4L-2770 | Improvement | Medium | Enhance the unclear feedback message that appears when deleting some objects | Merged The development has been moved to Prod and needs validation" >Merged | 8/12/2016 10:15 | 10/29/2016 14:57 | * Feedback messages when deleting objects are now enhanced to become clearer for the users. |
| A4L-2760 | Improvement | Medium | Tasks Reported by me permission should be in exempted list | Merged The development has been moved to Prod and needs validation" >Merged | 8/10/2016 10:42 | 10/29/2016 14:57 | * All users are now allowed to view the Tasks Reported by me. |
| A4L-1558 | Improvement | Medium | Enhance the message when the Related Documents grid is empty | Merged The development has been moved to Prod and needs validation" >Merged | 12/14/2015 16:12 | 10/29/2016 14:57 | * The Related Documents grid now contains an informative text of the many functionalities that are offered. |
| A4L-3001 | Bug | Medium | Bug in delete contact | Merged The development has been moved to Prod and needs validation" >Merged | 10/21/2016 12:29 | 10/29/2016 14:57 | * Add contact then try to delete this contact,The message shows that the contact is deleted but in reality it is not deleted.When you try to re delete it,the message becomes record is not deleted. * It is now fixed. |
| A4L-3000 | Bug | Medium | Bug in Money | Merged The development has been moved to Prod and needs validation" >Merged | 10/20/2016 20:03 | 10/29/2016 14:57 | Scenario: * select entity1 * click on add new invoice * fill the form field (client, items, ...) * open in second tab a new entity: entity2 (tab2) * back to first entity (tab1) * press save The result: * invoice appears only in entity2 and not on entity1 * invoice# (prefix and suffix) generated as per the entity2 * item field not loaded * sales account & client account behind the items are credited and credited from the following: ** trial balance ** balance sheet ** chart of accounts displays 0 for all entities ** zoom in: *** sales on entity2: not visible *** sales on entity1: not credited *** sales on entity2 with id from entity 1(changed by url): credited ** Account statement: no result found for both entities ** client account: *** entity 2: not visible *** entity 1: visible and debited, when zooming in => not visible This issue should be tested on all transactions in money (bill, expense, journal, payments, ...) * It is now fixed. |
| A4L-2999 | Bug | Medium | Bug in the partner transactions grid | Merged The development has been moved to Prod and needs validation" >Merged | 10/20/2016 15:24 | 10/29/2016 14:57 | * There are multiple records for the same transaction. * It is now fixed. |
| A4L-2990 | Bug | Medium | Bug in created By of the contact created from the customer portal | Merged The development has been moved to Prod and needs validation" >Merged | 10/20/2016 9:17 | 10/29/2016 14:57 | * When a ticket is created from the cp,the customer portal user is created as a contact to be set to the requested by. Bug is that there is no created by. Once the user create the customer portal user, this cp user should be created as a contact.And thus the created by is the creator of the cp user. If the user is creating the ticket and not found as a contact(deleted or his profile is changed),automatically this user will be created as a contact and the created by will be the creator of the cp user. * It is now fixed. |
| A4L-2973 | Bug | Medium | Bug in login when user is banned | Merged The development has been moved to Prod and needs validation" >Merged | 10/17/2016 15:54 | 10/29/2016 14:57 | * When user is logged in and then banned,the login dialog doesn't show that the user is banned so he can't log in. * It is now fixed. |
| A4L-2933 | Bug | Medium | Share by date report - export to excel | Merged The development has been moved to Prod and needs validation" >Merged | 10/10/2016 14:26 | 10/29/2016 14:57 | * if you go to a company, then shareholders section, open the report shares by date report. it does not export to Excel * It is now fixed. |
| A4L-2927 | Bug | Medium | Bug in Attachments Permissions | Merged The development has been moved to Prod and needs validation" >Merged | 10/9/2016 15:43 | 10/29/2016 14:57 | * The user doesn't have access to upload a file under expense related documents, even if the action "Expense - Add Attachment File" (under Core Module - Attachments Actions section) is granted to his user group. * It is now fixed. |
| A4L-2917 | Bug | Critical | bugs in Bill | Merged The development has been moved to Prod and needs validation" >Merged | 10/4/2016 12:15 | 10/29/2016 14:57 | * Scenario: I added a bill of amount : 2178.46 USD. I recorded a payment, the system suggested a payment of 2178 USD (without decimals): 1st bug the status of the Bill becomes "Paid" : 2nd bug I tried to edit the payment to add the remaining 0.46 : the system tells me that The payment of the bill can't be edited anymore : 3rd bug * They are now fixed. |
